W3/Tbl 6: Crossref priorities?

W3/Tbl 7: Crossref priorities?

Simplify and enrich existing services (pg 27)

R&D

Keep DOI relevant, protect, archive, archive, can be replaced

Timothy Allen -
human

Help to improve participation report - not easy to know what to do next.

Develop metadata supervisor

Improve our metadata (pg 29)

Credit added to metadata

Use Blockchain to track & all research

Validation of data automated - quality

Develop GDS work

Improve JATS to improve quality

Adapt to expanding constituencies (pg 31)

Multi-language support for all systems

Support metadata

Funder Org also

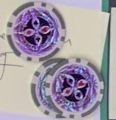

Advise Boards to get stakeholders involved

Modify file structure to expand constituencies

Expand Ambassador Programme

Collaborate and partner (pg 33)

R&R - improve registry

Public work plan

Consultation between groups to make meeting papers

Continue to experiment eg PDX/Polooza

Remove a number of DOI pages
